President's message:

Was there anyone in the club that WASN'T at Fish Fry? I don't think so! What a fantastic turnout of both Lions and Leos. We raised a record-setting amount of money under the leadership of chairperson Mike Haley and his co-chair Lee Melody. Jackie Maloney also did a fantastic job organizing the sale of the Car Drawing. The tickets were sold out by July 13th and we had to start a waiting list!

Scott Newton was behind the scenes doing a lot of everything. He is always the go-to person who seems to know the answers to everything. Mike Maloney and Dave Hubbard did a great job on security; lots of prizes were given away by Marilyn Redd and her crew in the mini-affle; everything was setup and ready to go under the leadership of Gary Denni; Chris Langlois organized the sale of the food tickets; Bill Howes got the fryers heated up; Lion-of-the-Year Brad Barras got the beer good and cold; Renee' Schulte got all of the slaw "ladies" scooping; Mike Narz handled the sounds; and Cathy Egan and Marcia Haley supervised the Leos.

Our own Carol Linehan's brother in Erie, PA, won the car. The Fish Fry crowd was a little unhappy that the winner was not a Seal Beach local, but Carol and her husband Dewey were thrilled that they sold the winning ticket. Lion Jackie made sure the car was shipped back to Pennsylvania, and Carol and Dewey were going to take it for a drive when they go back for a vacation next week.

Friday at setup was a special day for me. My daughter Rozlyn was in town for a couple days visiting from college. My eldest daughter Ashleigh was just sworn in as a Lion. The three of us met at Eisenhower Park to help setup. Ashleigh is a former president of the Seal Beach Leos, and I am so proud that she has decided to become a Lion. She has just taken on the chairmanship of Ronald McDonald House visitations. Rozi is not old enough to become a Lion yet, but I know she will. I look forward to the day when I sit at a meeting with both of my girls and they are both Lions. Talk about Lion Pride!

So another year of Fish Fry is over and done with. I can't tell you how many people asked me if the Lions put this event on every weekend. I would tell them, "Do you have any idea how much planning goes into this event? It takes us all year to do this one weekend!" So I guess it's time to start planning for next year!

Meeting schedule: First and Third Wednesday of the month. Meetings begin at 7pm sharp and are held at Khoury's 110 North Marina Drive L.B.

Leos Support Lions at Fish Fry

By
Scott Newton

Our Leos came out in force in support of the annual Fish Fry.

Our wonderful junior Lions cooked over 2000 hot dogs and Brats, served more than 3900 cold drinks, moved more than 5000 pounds of supplies from the truck to the cooking areas, cleaned tables, managed the condiments, and emptied thousands of pounds of trash.

Leos were among the first workers to arrive and the last to leave – some working as much as 13 hours in a single day. When we needed them the most, 13 Leos stayed to the end of Sunday to help clean up.

A special thanks goes out to Leo Advisor Cathy and Leo Advisor/Lion Marsha who gave oversight and direction to our Leo team throughout the weekend.

We set a new record this year with 42 Leos working 525 hours at the event.

The Seal Beach Lions Club is very fortunate to have this groups as part of our organization.
