

Parking: This is a difficult evening for parking so we recommend coming early and carpooling as best you can. The 10th Street beach lot is closed for parade staging but other city lots are open at: 8th Street Beach Lot (closed for entry after 5pm); 8th & Central; 1st Street Beach Lot - these lots will fill early. Your best bet for parking is along public streets in Old Town or on the Hill.

You are cautioned not to park in private business parking lots as you may be towed.
